

NEW MOON IN SAGITTARIUS

GET AWAY.

Name three places you would like to visit in the coming month. Some can be close, one at least should be at least a good drive away.

STUDY.

What do you want to study?

What are you waiting for?

SEARCH FOR MEANING.

The New Moon in Sagittarius is a good time to check that you're not being narrow-minded.

Are you being narrow-minded?

FYI: Whoever you can't stand is probably someone who has a lot to teach you.

BE GRATEFUL.

Actually anyone would benefit by doing this every morning when they wake up or last thing at night, but here and now, list 5 people or places or things you are grateful for

1.

2.

3.

4.

5.

LAUGH.

You know it's good for the soul. Name someone who makes you laugh.

Now from what you've written, be sure to choose one thing you can do within the next 24 hours!
